

VP Software Update Info

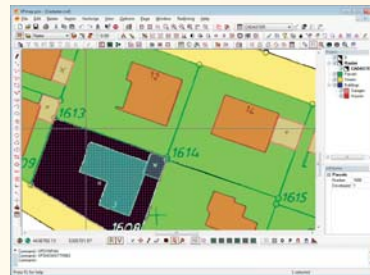

VP studio **VP studio mono**
VP raster **VP raster edit** **VP lite**

- Windows XP, Vista, 7: 64 bit support
- AutoCAD support: 2004 - 2011
- AutoCAD 2010, 2011: 64 bit support
- Symbol recognition in DXF, DWG legacy drawings
- Hybrid Editing: Enhanced direct raster selection
- Export: PDF and PDF/A

VP map **VP map pro**

- Windows XP, Vista, 7: 64 bit support
- AutoCAD/Map 3D support: 2004 - 2011
- AutoCAD/Map 3D 2010, 2011: 64 bit support
- Import: internal 2 GB file size limitation lifted
- Attributes: assignment and administration inside AutoCAD/Map 3D
- Attributes: convert to text

New Functions and Features

VPiite
VPstudio mono
VPraaster edit
VPraaster
VPstudio

Feature	VPiite	VPstudio mono	VPraaster edit	VPraaster	VPstudio
Raster Format Size					
Unlimited; internal file size of more than 2 GB unlimited with Windows 64bit		■	■	■	■
Enhanced Hybrid Editing					
Direct Raster Selection: option to limit elements to intersctions	■	■	■	■	■
Combine Funtions (raster and vector): individual element output settings	■	■	■	■	■
Color and Grayscale Handling					
Color classification module			■	■	
Special Functions					
Enhanced CAD symbol search in DXF, DWG legacy drawings; improved pattern recognition and block exchange		■			■
Import Formats					
Raster: enhanced PDF filter	■	■	■	■	■
Hybrid (raster and vector content): enhanced PDF filter	■	■	■	■	■
Export Formats					
Raster: PDF/A	■	■	■	■	■
Hybrid (raster and vector content): PDF/A	■	■	■	■	■
Operating System Environment					
Windows XP, Vista, 7: 32bit and 64bit (stand alone)	■	■	■	■	■
AutoCAD 2004 - 2011; AutoCAD 2010 - 2011 64bit	■	■	■	■	■

VPmap
VPmap pro

Feature	VPmap	VPmap pro
Raster Format Size		
Unlimited; internal file size of more than 2 GB unlimited with Windows 64bit	■	■
Enhanced Hybrid Editing		
Direct Raster Selection: option to limit elements to intersctions	■	■
Combine Funtions (raster and vector): individual element output settings	■	■
Color and Grayscale Handling		
Color classification module	■	■
Attribute Assignment		
Full support inside AutoCAD Map 3D	■	■
Attribute to text / text to attribute conversion; OCR support	■	■
Flexible color assignment according to object definition	■	■
Adoption of object color definition on import	■	■
Import Formats		
Raster: enhanced PDF filter	■	■
Hybrid (raster and vector content): enhanced PDF filter	■	■
Export Formats		
Raster: PDF/A	■	■
Hybrid (raster and vector content): PDF/A	■	■
Operating System Environment		
Windows XP, Vista, 7: 32bit and 64bit (stand alone)	■	■
AutoCAD/Map 3D/Civil 3D 2004 - 2011; AutoCAD/Map 3D/Civil 3D 2010 - 2011 64bit	■	■
